

FOOTBALL CAMPUS ENGLAND

PLAYER DEVELOPMENT CAMPS

The PLAYER DEVELOPMENT CAMPS (“PDC”) have been designed for players aged 14+ who would like to develop their game with us at our Football Campus in Manchester, England over a period of 2-6 weeks during holiday periods.

Holiday dates include the English Easter Holidays in March/April (two-week camp) and the English Summer Holidays in July and August (two-to-six-week camp).

The camps are available to both international and UK based players / students.

THE PDC includes:-

- High quality football training and matches for players of all positions at our Football Campus in Manchester, England delivered by our UEFA 'A' and 'B' coaches and advice from Managers in the professional game.
- An Individual Development Plan
- Player Analysis using the same technology that the English Premier League and English Women's Super League Clubs use such as the Playertek GPS Tracking System, Suunto Heart Rate Monitoring and SMARTSPEED Timing Gates.
- The opportunity to impress watching scouts.
- Specialist coaching and advice including strength & conditioning, diet & nutrition, and psychology.
- Physiotherapy and sport injury cover
- Welfare support
- Training Kit
- Full board or half board accommodation with a host family
- Recreational activities and excursions
